Let's do today at 1:30. We can at least get an outline of things going forward. Do you want me to call you or are you calling me?

Erin:

That sounds fine. I was out today, but I will be in tomorrow (Thursday) and Friday until noon. How about tomorrow afternoon – say 1:30 PM? If we need to talk again next week when Debra is available, that's no problem.

Mike, I think it would be good for you and I to have a meeting to discuss the remaining tasks. It might be best to go over the current scope of work in more detail so that we can eliminate any confusion. Debra is on vacation this week so I'm not sure of her schedule next week. I will be available any afternoon next week, or mornings on Thursday and Friday. I will also be available tomorrow or Friday of this week. Please let me know what would work best for you. Thanks!
